Dear Colleagues:

Welcome to the Florida Association of Bursars and Student Accounting Administrators (FABSAA) website. I am excited to have the opportunity to invite you to join your colleagues from postsecondary institutions and our commercial partners operating in the state of Florida.

FABSAA is a new organization created by volunteers working for or with four year public, private and community college postsecondary institutions. This organization specifically strives to improve communication and processes which impact the Bursar, Accounts Receivable, Collections, Perkins and Student Accounting departments in our member institutions. FABSAA offers us the opportunity to share experiences, discuss opportunities and provides us with a united front to effect positive change for our students.

YOU ARE NEEDED! Your qualifications are unique and your input is valuable. Committee assignments related to web presentation, conference organization, and membership drives can use your expertise. Please contact Rebecca Loehmann at riloehma@fccj.edu if you would like to volunteer for one of these assignments.

Again, welcome and stay tuned. Great things are on the horizon for FABSAA members!
