

Christa has been with Indian River State College for over 20 years. Christa serves as the Assistant Controller for Student Accounting Services. Her responsibilities include providing administrative oversight and staff support to the Accounts Receivable and Bursars and Cash Accounting Offices. She was involved in the development and implementation of the College's current ERP system and continues to serve as liaison for the Credit and Collection portion of the system. Christa is a graduate of the University of Florida and Barry University.

Christa lives in Fort Pierce with her son, Morgan (18) and her daughter, Megan (15).
